Re: United States v. Erit Shyti, 23-cr-00667 (JLR)

Dear Judge Rochon:

I am CJA counsel to Erit Shyti. I write, at the recommendation of Pre-Trial Services Officer Marlon Ovalles, to respectfully request a modification to Mr. Shyti's conditions of release.

Mr. Shyti is currently released on a personal recognizance bond, with a curfew and electronic monitoring. I ask that the Court modify his conditions of release to "Stand-alone GPS." This would remove the curfew, but the electronic monitoring would continue.

As noted, this request is being made at the suggestion of Pre-Trial Services Officer Marlon Ovalles. This modification would allow Mr. Shyti to work additional hours, including overtime.

AUSA Connie Dang has indicated that she defers to pre-trial services on the above request. Pre-Trial Services Officer Marlon Ovalles consents to this request.

Accordingly, I respectfully request that the Court modify the conditions of Mr. Shyti's release to "Stand-alone GPS."

Thank you for your consideration in this matter. I am, of course, available to provide more information at the Court's convenience.

Respectfully submitted,

/s/

David S. Greenfield
